

Maintenance Technician

Location: 2561 Stouffville Road, Gormley, Ontario
Employment Type: Full-Time, Permanent
Schedule: 40 Hours, Monday–Friday, with possibility for evenings and weekends in the future
Salary: \$30.00 - \$35.00 per hour

Posting Date: August 11, 2026
Application Deadline: September 1, 2026

About Cesaroni Technology Incorporated

Cesaroni Technology Incorporated (CTI) is an innovative company specializing in industrial design and manufacturing. Our expertise spans research and development across four core business units:

- Ammunition component manufacturing for military and law enforcement.
- Rocket and missile propulsion system development for aerospace applications.
- Polymeric heat exchange systems for diverse industrial uses.
- Automotive test system integration for precision testing and diagnostics.

Position Overview

We are seeking an experienced and hands-on Maintenance Technician to join our team and support the safe, reliable, and efficient operation of our manufacturing facility and equipment.

Key Responsibilities

- Perform preventative and corrective maintenance on manufacturing equipment and facility systems.
- Troubleshoot, diagnose, and repair mechanical, hydraulic, pneumatic, and basic electrical systems.
- Install, maintain, and repair manufacturing equipment and machinery.
- Assist with equipment installations, alignment, setup, and commissioning.
- Diagnose equipment issues and perform repairs to minimize equipment downtime.
- Read and interpret mechanical drawings, equipment manuals, schematics, and technical documentation.
- Complete maintenance work orders and maintain accurate maintenance records.
- Perform general facility maintenance, including servicing pumps, compressors, ventilation systems, conveyors, and other plant equipment.
- Inspect equipment and identify potential maintenance issues before failures occur.
- Work with external contractors and service providers when specialized maintenance or repairs are required.

Qualifications & Skills

- 3+ years of experience in industrial maintenance, equipment maintenance, or a related technical role.
- Strong mechanical aptitude and hands-on troubleshooting skills.
- Experience troubleshooting and repairing mechanical, hydraulic, and pneumatic systems.
- Basic electrical troubleshooting and repair experience.
- Experience using hand tools, power tools, and maintenance equipment.
- Ability to read and interpret mechanical drawings, equipment manuals, and technical documentation.
- Forklift experience is considered an asset.
- Experience working in a manufacturing, engineering, or industrial environment is preferred.
- GMAW (MIG) and GTAW (TIG) welding experience is an asset.

What We Offer

Cesaroni Technology Incorporated offers competitive compensation and a comprehensive health and benefits package, including dental, extended health care, life insurance, vision care, paid time off, and an RRSP matching program. Employees also have the opportunity to participate in company events and team activities within a professional and collaborative work environment.

Additional Information

Cesaroni Technology Incorporated is committed to a fair and accessible recruitment process. *No artificial intelligence (AI) is used to screen or filter applicants. All applications are reviewed by members of our recruiting team.*

- * Hiring for a vacant position.
- * Candidate must have reliable personal transportation to and from the Gormley facility.
- * Candidate must be able to successfully complete a police background check required for CGRP clearance.

How to Apply

Please apply through Indeed with your **current resume and cover letter** or send your application to resume@cesaroni.net.

The application deadline is **September 1, 2026**.

We thank all applicants for their interest in Cesaroni Technology Incorporated. Due to the volume of applications received, only candidates selected to proceed to the interview stage will be contacted.

Candidates selected for an interview can expect to be contacted within approximately 2–5 weeks of the posting date.

We appreciate the time and effort taken to apply and thank all candidates for considering a career with Cesaroni Technology Incorporated.
